

WINTER SCHOOL HOLIDAYS

JULY 2021

Monday 5 - Friday 9

Wave Hello to Renewable Energy

10am - 2pm with the Wave Energy Research Centre team

Learn all about the power of wave energy. Interact with the specially designed water tanks, to create ocean environments and discover some of the different wave energy technologies being trialled across the world.

Indoor Beach Combing

10am - 4pm

Explore our magnificent shell display and try your hand at identifying the shells on display. You will become an expert beach-comber in no time!

Saturday 10 & Sunday 11

Whaling Stories from the Stubbs Family

12pm - 1pm

Spanning multiple generations, the Stubbs family has quite a few quirky whaling stories to share with you.

Whale Trail & Indoor Beach Combing

10am - 4pm

Solve cryptic riddles as you follow our whaling station trail. Plus, explore our magnificent shell display and try your hand at identifying the shells on display. You will become an expert beach-comber in no time!

Monday 12 - Friday 16

Meet a Whaler

10am - 2pm

As you explore the site you may bump into in a real life past whaler. Hear firsthand stories from these men as they look back on their time working for the Cheynes Beach Whaling Company.

Maritime Activities

10am - 4pm

Let us show you the ropes! Discover the skills of the sea and learn a variety of handy maritime knots. Plus, solve cryptic riddles as you follow our whaling station trail.
